

# Learning Uncovered for Voluntary Organisations

**Easter Road Stadium, Edinburgh**  
**7th November – 9.30 am to 2.00 pm**

Find out how **learnDirect Scotland**, **ILA Scotland** and **learnDirect Scotland for business** can help you to promote and provide access to learning for your organisation, your service users and your volunteers.

We are running workshops focusing on specific areas – they will be short, sharp and to the point, helping you to identify what you would like to follow up on individually – and we will help you tailor your day to ensure you get the most out of your time.

**For those already delivering learning and training, whether it's short informal courses or accredited courses and everything in-between, you can find out:**

- How to put your training courses in front of thousands of individuals and businesses through our national learning opportunities database;
- How to network and get support available from the network of branded learning centres.

**If you work with service users, volunteers and/or staff then you can find out:**

- What help is available to promote learning to your service users, volunteers and staff;
- How to gain access to e learning for your service users, volunteers and staff;
- How your organisation can work in partnership with ILA Scotland to promote funding for learning to your service users, volunteers and staff;
- How to get advice and guidance about learning – everything from suitable formats and types to ways to overcome barriers to learning;
- How to develop your staff through learning and training.

Networking and information exchange is what the day is all about – but that is between all of us – so there will be a chance to network with coffee from 9.30 am (with a 10.00am start) and a networking lunch will be provided ending the day around 2pm.

**If you would like more information, or to book a place on Learning Uncovered, contact: Lynsay on 0845 450 0013 or email: [events@xtra-mile.com](mailto:events@xtra-mile.com)**
